WOMEN IN REAL ESTATE: EXPLORING AN ACADEMIC CAREER IN TOP UNIVERSITIES

Tuesday 21st May 2019

Principal's Lodge, Newnham College

Refreshments will be served from 6pm for a 6.30pm start.

Professor Sofia Dermisi: Professor Dermisi holds a joint appointment between the Department of Real Estate and the Department of Urban Design and Planning, University of Washington. She will be the President of the American Real Estate Society in 2019-2020, and only the second woman to be elevated by members in such a position, but the first non-US born.

Professor Dermisi, holds a Diploma in Planning and Regional Development Engineering from the University of Thessaly-Greece (1998) and a Master and Doctorate in Design Studies (1999 and 2002 respectively) from Harvard University.

Professor Siqi Zheng: Professor Zheng is the Samuel Tak Lee Associate Professor of Real Estate Development and Entrepreneurship, and the founder and Faculty Director of the MIT Future City Lab at MIT.

Professor Zheng received her Ph.D. in urban development and real estate from Tsinghua University in 2005 and did her post-doc research at the Graduate School of Design at Harvard University. Prior to coming to MIT, she was a professor and the director of Hang Lung Center for Real Estate at Tsinghua University, China.
